

Advisor: Dave Tilley
Police Services Board: Windsor
Date and Time of Board Meeting: February 24, 2022, 1:45 p.m. via Facebook

Public Meeting

Contentious Items:

- **Ambassador Bridge Update:**
 - On February 24, 2022 the City of Windsor rescinded the municipal state of emergency aligning with the federal and provincial actions.
 - Roads around the bridge are gradually being reopened. Huron Church Road, which leads directly to the Bridge, remains closed to the public.
 - 44 arrests were made during the occupation, which resulted in 88 criminal code charges. Investigations are ongoing regarding further criminal charges.
 - 11 vehicles were towed.

Items of Interest:

- **General Reports (Year End):**
 - *Community Outreach and Support Team (COAST)*
 - COAST was reduced from two teams to one. The rationale for this was to compliment a two team Mobile Crisis Rapid Response Team (MCRRT).

	2019	2020	2021	Difference	%
COAST Follow-up	2429	2715	2163	-552	-20.33%
Mental Health Act Form Review	**	164	**		
Community Referrals	318	113	222	109	96.46%
Information Calls	831	2163	1850	-313	-14.47%
COAST Visits	1073	403	924	521	129.28%
Telephone consults (min/day)	**	15	77	62	413.33%
COAST Apprehensions	15	10	0	-10	100.00%
COAST Detention Visits	58	27	**		
Attended Situation Table	44	35	7	-28	-80.00%
** Not tracked					

- The reduction of certain COAST team functions was due to pandemic related health restrictions.
- *Mobile Crisis Rapid Response Team (MCRRT)*
 - The team consists of mental health professionals ("social worker") with experience in mental health intervention and dedicated Crisis Intervention trained Constables.

○ *Calls for Service*

- The annual daily calls for service have also seen an increase of 7% from 2020.

○ *Major Crime Unit*

- 2021 saw seven homicides, a 133% increase from 2020. In addition to homicide cases, the unit also conducted three manslaughter investigations and five attempt murder investigations.
- In 2021, the **PowerCase Unit** entered 419 cases into the PowerCase system; the majority of which met the non-threshold criteria.
- With very few exceptions beyond the control of PowerCase, all cases were entered within the 30-day period, in accordance with the Major Case Management Manual.
- During 2021, 2912 notifications were created in PowerCase as a result of cases entered, which was virtually the same amount as the previous year.
- Five serial predators were newly identified.
- **With assistance from the report stemming from a Ministry MCM Inspection, the PowerCase Unit created a new PowerCase and MCM Directive that was approved and signed, effective July 2021.**

○ *Use of Force Report:*

- In 2021, the calls for service (124,114) that resulted in a Use of Force report being submitted (218 reports) equates to 0.17% of calls.
